

## OHSU Specialty Clinics

OHSU offers a variety of specialty dental services. Refer to the list below for specialty type, address, and phone number.

Follow these steps when referring your member to an OHSU specialty clinic-

- Complete the OHSU Patient Referral form. The form can be found on the Provider section of the ODS website/Provider/Resources/Get the form you need/OHSU Patient Referral form.
- Link to the form: [OHSU Patient Referral form](#)
- All fields on the referral form are required
- Referring Doctor Signature. The referral form **must be** signed by the referring provider at the bottom of page one.
- Submit the form via mail or email to the address noted on page one of the referral form.
- Advise your patient of next steps as noted on page one of the referral form. If transportation is needed, refer your patient to their CCO.
- OHSU will notify referring provider if clinic is not accepting new patients due to capacity limitations. In these instances, contact ODS dental customer service at 800-342-0526 for assistance.
